

Mastedly is Crystal Delta's comprehensive portfolio of industry leading education products and services. We innovate in technology that enhances learning and teaching.

LMS transition. Crane Migrate.

Accurate, rapid and effortless automated Learning Management System transition to realize value from adopting new systems sooner.

ACCURATE

Configurable, repeatable content and structural mapping rules between systems

RAPID

End-to-end automated coverage at scale to remove the need for manual intervention

EFFORTLESS

Encourage adoption and be learning ready

1 - Discovery

Determine volume, scope and coverage

2 - Validation

Establish timelines, priorities and approach

3 - Migration

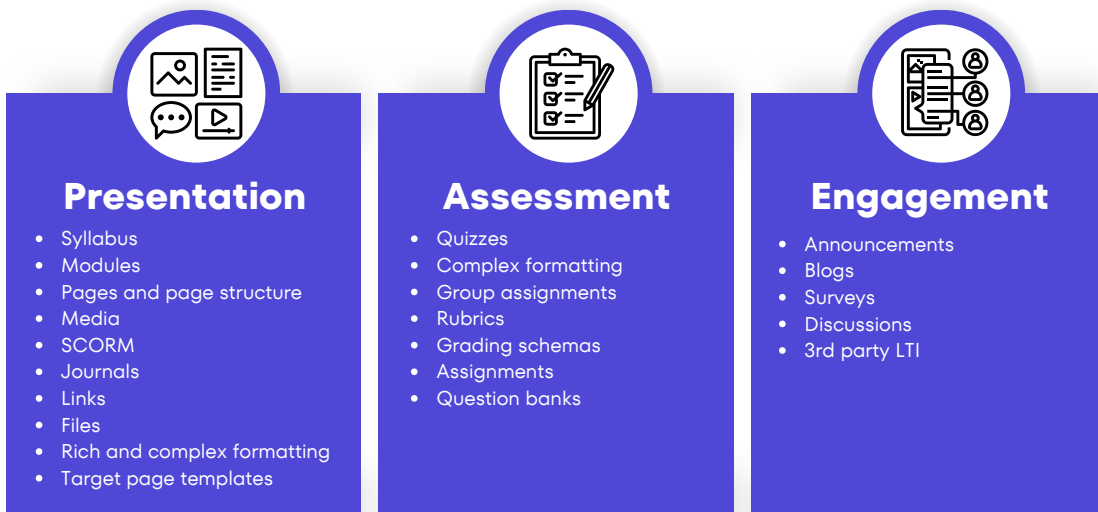

Execute - refine, revise and enhance

4 - Readiness

Assure quality and availability to learners

Migration Coverage

Content Types listed will be migrated if it is supported in the target LMS

Migration Service Tiers

During the Discovery phase, Mastedly will collaborate with you to determine the most suitable Migration Service Tier allocations for each of your courses. Typically, over 70% of courses are migrated using the fully automated Standard Migration Service Tier, ~20% can require Plus for additional quality assurance and ~10% of courses sometimes need Premium Migration Service Tier allocation for more complex or unique scenarios.

Migration Service Tiers	Standard	Plus	Premium
Coverage			
Uses migration automation tool		●	●
Quality Assurance			●
Migration output consistency		●	●
Check every page of every migrated course			●
Validate correct rendering of images		●	●
Checking and correcting all images, reimplementing missing or broken images	●	●	●
Validate internal link functions and pattern		●	●
Check link integrity for all links			●
Validate interactive content is embedded and will activate		●	●
Confirm correct functioning for each interactive module			●
Checking that SCORM package is correctly placed			●
Confirm SCORM will open and all slides function			●
Check all external links for correct functioning and correcting where content is still live		●	●
Availability of externally linked videos			
Outcome report			

**Cost-effective. Efficient.
